

Spot the Difference: Spooky Edition — Answer Key

There are **10 differences** between the two images:

1. **Excavator attachment** — The top image has a bucket; the bottom image has a grapple.
2. **Caution sign** — The top says “CAUTION WORK ZONE”; the bottom says “CAUTION KEEP OUT.”
3. **Pumpkins** — The bottom image has one additional pumpkin.
4. **Dump truck** — The top truck is carrying a load; the bottom truck bed is empty.
5. **Dozer blade** — The bottom blade has a jack-o'-lantern face that is not on the top blade.
6. **Pumpkin sign** — The top sign has an orange jack-o'-lantern; the bottom sign has a white jack-o'-lantern.
7. **Concrete pipes** — The bottom pipes have spiderwebs and spiders; the top pipes are plain.
8. **Light tower** — A portable light tower appears in the bottom image but not the top image.
9. **Traffic cone** — The bottom image has an extra traffic cone near the concrete pipes that is not present in the top image.
10. **Scarecrow** — The scarecrow appears in the top image but is missing from the bottom image.
